

Mike Hart Computing and Statistics

Books published

- 1991 Programming of Statistical Software package MICROSTATS
(Version 3) to accompany:

 Curwin,J. & Slater,R. : Quantitative Methods for Business
 Decisions [Third edition]
 London:Chapman and Hall [ISBN 0-412-40240-8]
- 1993 Hart, M.C: Survey Design and Analysis using TURBOSTATS
(Book with integrated software)
 London : Chapman and Hall [ISBN 0-412-54830-5]
- 1994 Curwin,J. & Slater,R. with Hart,M.C. : Numeracy Skills for Business
 [MICROSTATS statistical software + EZESTATS Computer Assisted Learning]
 London:Chapman and Hall [ISBN 0-412-59000-X]
- 1996 Programming of Statistical Software package MICROSTATS
(Version 4) to accompany:

 Curwin,J. & Slater,R. : Quantitative Methods for Business
 Decisions [Fourth edition]
 London: International Thomson Business Press [ISBN 1-86152-027-1]

Articles in Books/Conference Proceedings/Journals

- 1982 "Computing in the Public Administration curriculum" (with
 N.Woodhead)
 Teaching Public Administration,Vol.II(1),Spring
- 1982 "Quick Formatter"
 Practical Computing,Vol.5(8),August
- 1982 "Information Technology - the role of the F.E. Service"
 Paper presented to East Midlands Further Education Committee
 (Business and Management panel),Spring

- 1983 Programming (in BASIC) for:
 "Comparison of Local Employment Characteristics with that
 of the Regional and National Economy using the Shift and
 Share Method"
 Report prepared for Leicester City Council/Leicestershire
 County Council by F.J.W.Rendall (School of Economics and
 Accounting)
- 1983 "Use your Head(ers)!"
 Commodore Computing International, Vol.2(1), May
- 1983 "Making use of program headers"
 Practical Computing, Vol.6(6), June
- 1983 "A look at cassette security and management"
 Commodore Computing International, Vol.2(3), July
- 1983 "Adding Structure to CBM BASIC without a COMAL interpreter"
 Paper presented to the Second Commodore Education
 Conference, Chelsea College, University of London, September
- 1983 "Tape Append routine"
 Computing Today, Vol.5(9), November
- 1984 "Two Pet Utilities"
 Computing Today, Vol.5(12), February
- 1984 "A machine code monitor written in simple Basic"
 Commodore Horizons, May
- 1984 "Search and Replace"
 Computing Today, Vol.6(4), June
- 1984 "Universal Decimal/Hex Convert"
 Commodore Horizons, June
- 1984 "Brackets"
 Personal Computer World, Vol.7(6), June
- 1984 "A selective renumber"
 Commodore User, August
- 1984 "Commentator: a utility to facilitate structured
 programming with CBM machines"
 Practical Computing, Vol.7(10), October
- 1984 "Named Subroutine calls in Commodore BASIC"
 Commodore User, November
- 1984 "An improved format subroutine"

- ICPUG Newsletter, Vol.6(6), November
- 1984 "Modifying Sorts"
Commodore Computing International, Vol.3(5), November
- 1984 "Print using on the 64"
Your Commodore, Vol.1(3), December
- 1984 "Adding structure to CBM BASIC without a COMAL interpreter"
in RAMSDEN, E.(ed.): Microcomputers in Education 2
Ellis Horwood
- 1984 Programming (in BASIC) for:
Rendall, J. & Cook, G.: Industrial Structure and the Process of
Employment Decentralisation in Greater Leicester
- 1985 "Finding a new home for your machine code"
Commodore Horizons, January
- 1985 "64 Datamaker"
Commodore User, January
- 1985 "Machine code movements"
Commodore Computing International, January/February
- 1985 "Directory Sort"
Your Commodore, Vol.1(5), February
- 1985 "EXCLUSIVE-OR routine"
Commodore Computing International, Vol.3(8), March
- 1985 "Medium Resolution plotting"
Your 64, No.7, March
- 1985 "Code-Isolater"
Popular Computing Weekly, Vol.4(10), 7-13 March
- 1985 "Gender Differences in the Acquisition of Computing Skills
amongst Social Science Undergraduates"
Paper presented to:

First International Conference
Computers in Institutions of Higher Education
U.N.A.M. (Universidad Nacional Autonoma de Mexico)
MEXICO CITY, March 20-23rd
- 1985 "Making Passes"
Commodore Computing International, Vol.3(9), April
- 1985 "Relocator"
Your Commodore, Vol.1(7), April

- 1985 "Restore to line"
Your Commodore, Vol.1(7), April
- 1985 "Save your memory with SHRINK"
Commodore Horizons, April
- 1985 "Commodore AUTODATA-C64"
Personal Computer World, Vol.8(4), April
- 1985 "Reverse REMS"
Practical Computing, Vol.8(4), April
- 1985 "Micromon"
Commodore Computing International, Vol.3(10), May
- 1985 "Reliable Routines I"
Your Commodore, Vol.1(8), May
- 1985 "Reliable Routines II"
Your Commodore, Vol.1(9), June
- 1985 "Reliable Routines III"
Your Commodore, Vol.1(10), July
- 1985 "Reliable Routines IV"
Your Commodore, Vol.1(11), August
- 1985 "Reliable Routines V"
Your Commodore, Vol.1(12), September
- 1985 "Reliable Routines VI"
Your Commodore, Vol.2(2), November
- 1985 "Reliable Routines VII"
Your Commodore, Vol.2(3), December
- 1986 "Reliable Routines VIII"
Your Commodore, Vol.2(4), January
(A series of eight articles commissioned to appear 1985/86)
- 1985 "REPEAT-UNTIL on the C64"
Your Computer, Vol.5(5), May
- 1985 "Keep it in line"
Commodore Computing International, Vol.3(11), June
- 1985 "Does it all add up?"
Commodore Horizons, July

- 1985 "CHECKGEN - a checksum generator"
ICPUG Newsletter, Vol.7(4), July/August
- 1985 "Pointer Sorts"
Commodore Computing International, Vol.4(1), August
- 1985 "Upgrade your 64 ROM"
Commodore Computing International, Vol.4(2), September
- 1985 "HEX-AID"
Popular Computing Weekly, Vol.4(40), 3-9 October
- 1985 "Reporter"
Commodore Horizons, November
- 1985 "HEX-CALC : A compact hexadecimal calculator"
ICPUG Newsletter, Vol.7(6), November/December
- 1985 "64 emulates PET"
Commodore Computing International, Vol.4(5), December
- 1985 "VIC takes Tinymon"
Commodore Computing International, Vol.4(5), December
- 1985 "The Gender Gap"
Educational Computing, Vol 6(6), June
- 1986 "Bytes and Pieces"
Popular Computing Weekly, 10 April 1986
- 1987 "PRCODES" - a machine code utility to send control codes
to a printer
PC Plus, July
- 1988 "CLEANUP" - a machine code utility to convert files to pure
ASCII text
PC Plus, May
- 1993 "EZESTATS"
(C.A.I. program/booklet - introduction to statistical concepts)
- 1995 "Teaching Statistics to Social Science Students by utilising survey
analysis packages (TURBOSTATS)"

Royal Statistical Society International Theme Conference (RSS95)
"Communicating Statistics"

University of Wolverhampton, 12-14 July 1995

1997 "The analysis of questionnaire data: methods and problems of scaling"
Postgraduate Research Seminar,
Leicester Business School,
De Montfort University,
January 1997
